

ENERGY STAR Window Air Conditioner

\$30

Incentive Qualifications

Incentives available for new ENERGY STAR qualified window air conditioners

Program started in April of 2009. In following years, check with your electric utility for program status.

Customer Information

Name on Electric Utility Account: _____ Do You Own ____ or Rent ____

(If Rent – Name and Phone Number of Landlord) _____

Electric Utility Provider: _____ Account # _____

City: _____ State: _____ Zip: _____

I certify that the incentive I am applying for meets the criteria that the new window air conditioner I purchased is an ENERGY STAR qualified model and is installed in a residence or facility served by Nebraska Public Power District or its Wholesale Utility Partners (program guidelines can be found at www.nppd.com). The utility reserves the right to ask for additional documentation to ensure program compliance.

A copy of the receipt indicating purchase must be included: Yes, the receipt is attached, check box:

The application will not be processed without a copy of the receipt and the customer's signature.

Customer's Signature: _____ Date: _____

Application Process: 1) complete application, 2) attach a copy of the receipt, 3) sign the application by the customer, and 4) submit application to the customer's electric utility provider. Contact Information: Karen Schlautman, 402-564-2821
